Dear Kylie,

Congratulations! We have approved your Medalist nomination, and you are welcome to notify Santiago.

A certificate will soon be mailed to your attention at the high school. You are welcome to share this following statement with them from our Medal team:

"Rensselaer Polytechnic Institute congratulates you on being awarded the Rensselaer Medal! Founded in 1824, RPI is the oldest technological institution in North America, and it is located in the Capital Region of New York State. This prestigious award has been awarded since 1916 to one student in any given high school and is designed to recognize that student's strength and success in the fields of mathematics and science. Medalists who apply, are admitted to, and enroll at RPI are awarded a scholarship worth \$40,000 per year. We hope that you will consider a future with RPI!"

School: Schalmont High School

Medalist First Name: Santiago

Medalist Last Name: Vega

Name to be used on certificate: Santiago Vega

Medalist Email: santiago.vega@schalmont.net

Please note this award is non-transferable. Your student has been confirmed on the basis that they fit our criteria, and that they will have taken biology, chemistry, physics, and precalculus (or higher) by the time they graduate high school.

Please contact medal_program@rpi.edu or call (518) 276-6216 if you have any questions.
