Dear Santiago,

It is with great pleasure to inform you that you have been selected to attend the Colonial Council Sportsmanship Summit as one of our student athlete representatives for the Schalmont Central School District. Students were chosen based on their leadership, excellent academic standing and being a multi-sport athlete. Thirteen schools within the Colonial Council will be participating in this event which will be held on Monday, May 18th, 2026 from 9:00 am-1:30 pm at Lawson Lake Park.

All students will be participating in a variety of activities with other student athletes from each school to create camaraderie, teamwork, respect and continued sportsmanship within each school district. Please fill out the included parent permission form and return to me by Monday, May 11th, 2026 in order to attend this field trip.

I personally want to congratulate you on your hard work, dedication and commitment to your academics and athletic accomplishments while representing the Schalmont Central School District with pride. I look forward to having you attend the Sportsmanship Summit.

Sincerely,

Kathleen H. Russell
